

RALEIGH WATER DISTRICT

NOTICE OF PUBLIC HEARING

The Board of Commissioners of the Raleigh Water District has called a public hearing to be held at the Water District office:

**5010 SW Scholls Ferry Road
Portland, OR 97225**

The hearing will be held on Tuesday, June 19th, 2007, at 7:00 pm.

The hearing is called under the provisions of ORS 264.312, for the purpose of considering rates and charges to customers for water and services provided.

If you would like more information, please call the District office at (503)292-4894 during business hours, 7:30 am to 4:00 pm, Monday through Friday.

While we strive to contain costs wherever possible, Water District staff will be recommending a rate increase in order to provide our nearly 1000 customers with safe, clean drinking water now and in the future. To ensure that Raleigh Water District continues to meet these goals, your water rates pay for: capital improvement projects, water main replacements and system upgrades as identified in the District Master Plan. Staff is recommending that the rate increase take effect July, 01, 2007.
